“Legion Boys Spring Something New”

The American Legion are going to bring something new and novel to the people of this vicinity on August 22nd when they give their big Turtle Dance. Turtle races such as would be seen at Palm Beach will be in vogue that night with the liberation of 50 racing turtles. Pari Mutual will be sold on the turtles and the boys are looking forward to a big time with lots of fun for all. Watch for further announcements.

“Personal Happenings”

Jos. J. Davey arrived here Sunday and is visiting his family and other relatives this week. Mrs. Davey has been spending several weeks here with her parents, Mr. and Mrs. J.P. Kearns from her home in Spokane. Mr. Davey has recently been advanced to vice-president of the Federal Land Bank.

Mr. and Mrs. James Thompson and sons, Ralph and Jack, are spending a vacation in Salt Lake City having motored south last week.

Miss Lillian Daniels returned to Whitehall with her friend, Miss Myrna Thomas, on Sunday after Miss Thomas had visited at the Daniels Ranch for a few days and will vacation in Whitehall as guest of the Thomas Family for several days.

Pat Hooks entertained his friend, Bobby McCarthy, at his summer camp on Deep creek last week. Among other things the boys took a nine mile (or so) horse back ride, accompanying Stanley Lockwood on one of his missions over the high mountains. For a day or two following the experience both Bob and Pat walked kind of crooked and Pat’s father declared it wouldn’t have taken much to have started a good fight all of the next day – the boys nerves were fagged as well as their leg muscles

Chas. Shaw is improving a camp site on Deep Creek. The site chosen is in the neighborhood of Sulphur Bar, close to the highway nestled among some very tall and beautiful fir trees. Chas. Has already constructed a road to the site, done some clearing of underbrush and intends to erect a cabin before long.

“Dr. Swenson is now Practicing”

Residents of Townsend and Broadwater County welcome Dr. Vernon L. Swenson to our community as a practicing physician. Dr. Swenson is affiliated with Dr. William McElwee in the Tri-County Clinic and Broadwater Hospital, starting last week. Dr. McElwee, who has been overworked since the death of his late partner, Dr. Frank Nash, also is quite happy to have help.

Dr. Swenson comes to us with an enviable record from Phoenix, Arizona where he spent a year at St. Joseph and a year at Good Samaritan hospitals. He is a native of Idaho and attended high school at Provo, Utah and Brigham Young University, also at Provo, and the University of Utah at Salt Lake City. He received his doctor's degree from George Washington University at Washington, D.C.

Dr. Swenson is married to the former Jacqueline Brandley of Lethbridge, Alberta, Canada, who also attended high school and college at the Provo schools. They have three children, Susan 5, Krista 3 and Eric 13 months. They are now at home in the Nydegger residence on North Pine.

“Boy Scouts at Camp Napi”

Ten Boy Scouts are spending a week at Camp Napi, Scout Camp near Babb on Lower St. Mary Lake. Those in the group are Dick Grady, Wesley Grindle, Tom Perry, Pat Broderick, Robert Dagnall, Steve Grover, Kenny Mullany, Keith Young, Ronnie Kieckbusch, and Mark Geisser.

Transportation to camp last Sunday was furnished by Chuck Grady and Larry Mullany. Scott Grover and George Brammer will go get the boys Saturday.

“Turnout for Demonstration Day Sets Record”

Increasing interest has been taken in the annual 4-H demonstration Day. This year more than 20 per cent of the county's 4-H members gave demonstrations on July 15, 1964 at the courthouse. Twenty-four participants showed a substantial increase over last year's 16 and the previous year's 12. A great deal of credit is due to County Agent Lee Hart and club leaders for stimulating interest. Judges, Vivienne Kintz and C.W. Vaughn, commented on the many benefits of giving demonstrations.

Following are the clubs and demonstrators who participated:

Busy Fingers Club: Judy Ann McNulty, “Packing a Lunch”; Mary Ellen McNulty, “Save the Scorched”, and Aliene Goodwin, “Citizenship and You”.

Canton Up'n Atoms: Marie Kirscher, “Have Iron Will Sew”; Trudy Bucy, “A Brighter Life”; Shelly Iverson, “You Can Stop the Wind”, and Kathy Iverson, “Shine Your Jewelry”.

Toston Blue Ribbon: Jean Berberet, “Chinese Fortune Cookies”; Jane Berberet, “Self Interfacing Belt”; Debbie Clark, “Pardon Me – Your Seams are Fraying”; Susan Webb, “I've Been Framed”; and Lorelee Flynn, “Wood – the Wonderful Fiber”.
