

Intended Audience

This course is appropriate for those who regularly work with children of all ages. This course will discuss the prevalence and scope of child abuse in the US and Montana. Participants will learn the different types of abuse. The course will provide detailed information on how to recognize signs of child abuse and neglect. The course will educate attendees on what should be reported, who is required to report child abuse, and how to make a report in Montana.

About the Trainer

Toni Zimmer, LCSW

Toni Zimmer is a MT licensed, outpatient, clinical social worker and provider at Broadwater Health Center's Wellness Clinic. She has 20 plus years in the field. Her background includes work with children and families, abuse, trauma, crisis intervention, opiate addiction, and the foster care and adoption systems.
