Comments:	

Any changes must be submitted, reviewed and approved prior to sale.

If we have questions or need additional information we will contact you. Once approved, you will be issued a Broadwater County Environmental Health Office **Farmer's Market Certificate valid for the 2020 season**. The certificate will list the food items that have been approved to sell at the Farmer's Market. This certificate must be publically displayed at your food sales location. Any food items not listed on the certificate are not approved for sale at the Farmer's Market.
