Additional Funding for Small Businesses

The SBA will resume accepting Paycheck Protection Program applications from participating lenders on Monday, April 27, 2020 at 10:30am EDT. With the additional funding provided by the new COVID-19 relief package, SBA will resume processing Loan and Advance applications that are already in the queue on a first come, first-served basis. Further information on the availability to receive new applications (including those from agricultural enterprises) as soon as possible. Contact your local bank. To learn more about the relief options available for your business, [click here](#). Programs include:

- Paycheck Protection Program
- Economic Injury Disaster Loan Emergency Advance (EIDL)
- SBA Express Bridge Loans
- SBA Debt Relief

Special Townsend School Board Meeting

Monday, April 27 at 6:00 am at community room to develop plans for the remainder of this school year. (See below, page 2 for state guidelines.)

Disaster Distress Helpline 1-800-985-5990 (24-hours everyday)

Active Cases Reported by County

A new map has been added to the [Montana COVID-19 dashboard](#). In addition to the Cumulative Confirmed Cases map, which displays cumulative confirmed cases by county, the Active Cases map displays the number of patients who are either hospitalized or remain under isolation. Users can toggle between the two map displays by clicking the tabs on the bottom left of the maps.

STATE GUIDELINES FOR REOPENING MONTANA SCHOOLS

School Reopening Considerations:

CLEANING AND SANITATION

- Frequent disinfecting of door handles, desks and other common spaces.
- Require handwashing in regular intervals.
- Keep libraries, gyms, and playgrounds off limits unless they can be sanitized between groups.
- Provide hand sanitizer.

SICK POLICIES

- Implement temperature checks and / or symptom screening when practical.
- Require anyone (students or staff) with COVID-19 symptoms to stay home.

LIMIT CLASS SIZES

- Consider breaking larger classes into smaller groups.
- Students may alternate school days or attend for half days.

MAINTAIN SOCIAL DISTANCE

- Consider use of face coverings by all staff and students.
- Keep students with the same group and in the same classroom, with teachers rotating when practical.
- Consider students eating lunch in the classroom to help limit mixing of students. • Cancel extracurricular activities.
- Prevent any non-school staff, including parents, from entering school buildings.
- Consider reducing bus loads to allow for one student per seat.

GRADUATION CEREMONIES

- Provide a live stream of graduation.
- Consider limiting spectator attendance.
- For larger schools, consider grouping graduates or providing multiple ceremonies.
- Follow social distancing between families.

ACCOMODATIONS for students, teachers, and staff in an at-risk group:

- Schools that reopen will need to take into consideration that some teachers and staff will fall into the at-risk category because of their age or other health risks. These individuals should have additional accommodations including:
 - teaching classes remotely,
 - utilizing a larger classroom where social distancing can be maintained, or
 - given an option not to return until the risks are reduced.
- Students who are high risk or who have family members who are high risk should not be penalized for failing to attend and should continue to receive remote support.
- Accommodations should also be extended to students and staff who are required to quarantine due to exposure or potential exposure.

CONFIRMED or SUSPECTED case of COVID-19

- Collaborate with public health to ensure each school has a plan for reporting, contact tracing and both short-term or extended closures in the case of a positive COVID case related to the school or community.
- Utilize CDC guidelines <https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/guidance-for-schools.html>
