“A Real Bouquet of Choice Vegetables”

Last Friday “The Star” was presented with a real bouquet. A bushel basketful of the choicest vegetables arrived from the garden of Dave Doig. The finest potatoes, string beans, peas, carrots, onions, Swiss chard, corn, tomatoes and a huge head of lettuce.

The basket was arranged as only Dave Doig would do it. Everything in order and the top made into a bouquet. Corn on the edge, then a row of tomatoes and in the center bloomed the fine head of lettuce.

Mr. Doig has a garden on the banks of the Missouri River, east of Toston and no better garden is raised by anyone, we believe, from the sample we received. We have found that some of the people living on Gurnett Creek can tie Mr. Doig however, Ralph Domar, for instance.

“Celebrates Sixth Birthday”

Miss Polley Golley celebrated her sixth birthday on Wednesday of this week by inviting a few friends in for games and a supper party. Favors were in pink and the children were delightfully entertained. Miss Polley is the daughter of Drs. P.M. and Dean Golley. Those enjoying the occasion were: Barbara and Charlotte Brown, Marjorie and Louise Kieckbusch, Roxey Ray Ward and Paul Thos. Golley.
