“Horses on Highway Cause Accident to Young People”

Horses on the highway was the cause of an automobile accident Saturday night at about 10:00 o'clock two miles east of town, that wrecked a 1933 model Chevrolet car driven by Herman Moudree and caused injuries to five other occupants of the car, all resident young people.

Miss Irene Moudree, sister of the driver, with Miss Viola Walter and Albert Olsen riding in the rear seat sustained the most severe injuries from shattered glass. Miss Moudree and Miss Walter were rushed to a Helena hospital shortly after the accident and Olsen is recovering at his home here. Miss Moudree, perhaps the most severely injured, sustained a broken collar bone, broken ribs and severe facial and body cuts and bruises. Miss Walter is recovering from shock and some minor cuts and abrasions. Olsen received a broken nose and deep arm and leg cuts.

“Letter to Editor”

Radersburg, Mont.

June 1, 1964

Dear Friends,

Our Citizenship Club has just completed a Centennial Project on Montana.

We decided to compose a poem. This copy is for your paper and we hope you will like it.

There are ten pupils in our room in grades one to four.

Radersburg is also part of the Centennial because it is 100 years old this year.

With love,

We love Montana,

The state where we were born,

We love Montana, Where skies are blue each morn.

We love Montana,

So high, handsome and wide,

There's room to live more freely

With miles of space to ride.

We love Montana,

Her winding trails so cool,

By lakes and streams for fishing and good old swimming pools.

We love Montana,

Her ranches, cities, towns;

Her cattle, sheep and horses

For miles and miles around.

We love Montana

A place where cowboys roam

So we will join the chorus

And sing of our sweet home.

Home, home on the range

Where the deer and the antelope play

Where seldom is heard

A discourage word and the skies are not cloudy all day.

O, give me a home where the buffalo roam,

Where the deer and antelope play,
Where seldom is heard a discouraging word,
And the skies are not cloudy all day,
Montana?
Montana we love you!
