

Christmas Connection – Broadwater County Montana

PLEASE READ THIS BEFORE FILLING OUT A REQUEST FOR HELP FROM THE CHRISTMAS CONNECTION.

The Christmas Connection is neighbors helping neighbors. It is funded entirely by donations from local churches, individuals, organizations and businesses. This program is to assist families within Broadwater County. We are not able to provide gifts for visitors or to mail elsewhere. Food is intended for those who live in your household.

All households may receive a food basket. Gifts are intended for kids under 19 and who are full-time residents of your home. (If their parents have asked for help, they will receive it) If necessary, we will deliver or give rides to those within Townsenc

PLEASE do not apply for anyone else, this is their decision. If you plan on asking for help from Toys for Tots in Helena or Bozeman, realize that they will check with us and will not duplicate.

We try to help all who apply but those who wait until the last moment will not do as well as those who apply on time. We need your application by November 23, 2021 to be included on the Angel Tree or to be included for consideration for a Christmas Tree. The final deadline to return applications is December 11, 2021 to obtain assistance. Anyone who turns in their applications after this date will not be guaranteed help.

Questions? Please fill in the application on the reverse COMPLETELY, if incomplete we may be unable to assist you. If you have questions you may contact Bret Anderson at 406-980-0790 (texts welcome).
